THE TYPICAL TEEN-AGER

Teen-agers play a very important role in school life as well as in everyday living. Therefore the typical teen-ager, not so much for what they are, but for what they stand, has been chosen by the staff as its theme of the 1957 Pirate. The scene portrayed on each division sheet illustrates one phase of the many teen-age activities at any Texas high school.

DEDICATION

In deep appreciation for his willingness to serve, and sincere interest in the capacity in which he serves our school, we, the Pirate Staff of 1957, dedicate this yearbook to one who is a familiar figure in the halls of L. H. S. and has served the students for many years in many ways.

MR. CHARLIE HELMER---Since you have dedicated your years of service to us, we dedicate the 1957 Pirate to you.

ADMINISTRATION

SCHOOL BOARD

The members of the Lueders Texas School Board play an important part in the everyday life of the typical teenager without his being aware of it. Theirs is the knowledge and experience which unobtrusively guides and molds our lives and sometimes even our destinies.

On this page, the staff of the 1957 Pirate, teenagers themselves, pay tribute to those who have so unselfishly contributed to the education and progress of the typical teenager.

The job of accumulating and selecting material to go into a school annual, though it is indeed a trying task, has been entrusted to a staff who could meet this challenge. They have worked hard so that we could have a good annual for 1956-1957.

It is hoped that in years to come each of you can look back to this year's annual with pride and that the '57 Pirate will serve as a reminder of a happy and worthwhile year.

ALMA MATER

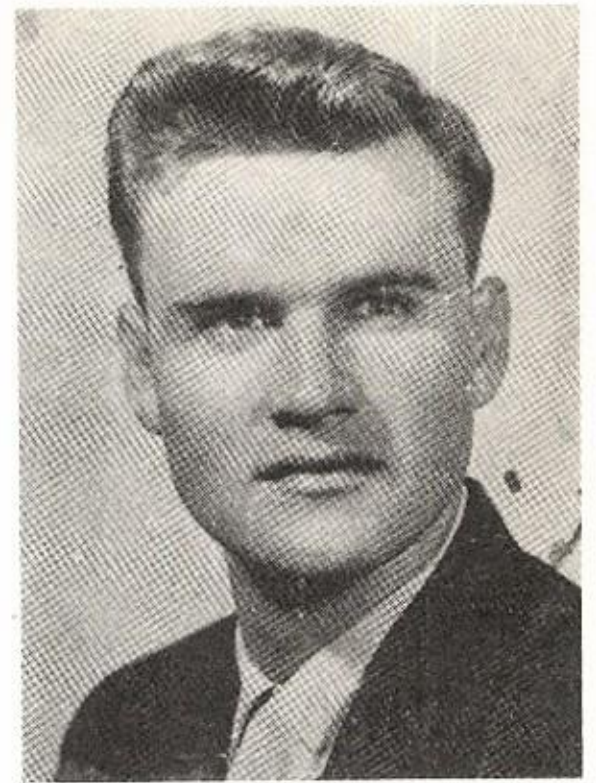

High above old Brazos' waters,
 Out where things are bright,
 Stands our noble Alma Mater,
 Towering in her might.
 Keep her colors ever floating,
 Sing her praises oe'r,
 Hail to Thee our Alma Mater,
 Hail the black and gold!
